

ROSY PRO BADEN

The ventilation bathroom radiator

CE EUROPEAN
WARRANTY

Specifications:

ROSY PRO BADEN is the new high-performance radiator of Cordivari Design, designed for the heating systems with heat pump or low temperature. The radiator uses a ventilation system with brushless DC inverter motor that guarantees comfort and high performances. Standard supplied with towel bars in 3 different configurations.

Material:

Painted carbon steel.

Fixing kit:

The fixing kits with screws and dowels suitable for compact wall or hollow bricks. For a correct installation please always refer to the assembly instructions.

Packaging:

The radiator is protected by recyclable carton box.

Painting process:

Painted with ecological epoxy powders (Certificate DIN 55900-1,-2).

Colors:

Standard color White RAL 9016-R02.

Control electronics

Stand-alone control electronics for the management and control of the radiator.

DC Brushless ventilator in low voltage 24Vdc.

Adaptor AC/DC 220V- 24 Vdc 30 W IP20 plug typ C with connection wire length between adaptor AC/DC and radiator 1400 mm.

Minimum ingress protection: IP 24.

Class protection: Class II.

SMART CONTROL operating mode

- Auto: the fan speed is adjusted automatically according to the flow temperature value read by the probe positioned on the radiator. The algorithm will choose whether to switch off, modulate or push the fan to maximum speed. The display always shows the current operating status of the decorative radiator.

- Manual: The user can select up to 4 fan speeds via the function buttons, independent of the flow temperature values. From the display you can always see the current operating status of the radiator.

POSITIONING OF ELECTRIC DEVICES IN THE BATHROOM

The national rules on installing electrical equipment in the bathroom must be scrupulously respected. The electric radiators must be always installed outside zone 1 and 2.

In particular the electric switch and control elements must be mandatorily located in zone 3, in order that no electrical control center is accessible to anyone using the shower or bath.
